******* ANALYSIS ADDENDUM – SUSPENSE FILE *******

**The following information is revised to reflect amendments
adopted by the committee on August 29, 2025**

Fiscal Impact:

- Unknown potentially significant cost pressures in the event that a state of emergency is called due to a landslide (General Fund, special fund, and federal funds). The actual fiscal impact will depend on, among other things, the severity of the landslide, area(s) impacted, emergency response strategy required, and the duration of the state of emergency proclamation.
- No additional costs to the Office of Emergency Services (OES).

Author Amendments: Add Senator Allen as a principal coauthor.
