

CONCURRENCE IN SENATE AMENDMENTS

ACR 126 (Tangipa)

As Amended May 13, 2026

Majority Vote

SUMMARY

Designates a specified portion of State Highway Route 395 in the County of Mono as the Captain Vidar Anderson Memorial Highway. The measure would request that the California Department of Transportation (Caltrans) determine the cost of appropriate signs showing this special designation and, upon receiving donations from nonstate sources sufficient to cover the cost, to erect those signs.

Senate Amendments

Replaces the portion of State Route 395, from Rock Creek Road, at postmile R10.264, to the South Landing Overcrossing #47-48, at postmile R14.080, *to postmile R13.931*, in the County of Mono as the Captain Vidar Anderson Memorial Highway.

COMMENTS

On the morning of February 19, 1990, Captain Vidar Anderson of the Long Valley Fire Protection District joined 50 fellow first responders in a desperate race to Convict Lake, where several teenagers had fallen through the ice.

Captain Anderson was one of four local responders who fell through the ice attempting to rescue the teenagers. In his heroic effort to save the teens, Captain Anderson saved the life of his fellow first responder, Long Valley Fire Protection District Chief Chris Baitx. Tragically, Captain Anderson succumbed to the cold during this heroic rescue attempt, making the ultimate sacrifice in the line of duty.

Captain Anderson's invaluable service, dedication, leadership, and commitment contributed greatly to the safety and well-being of his community. The Long Valley Fire Protection District seeks to honor Captain Anderson's memory and service by dedicating a portion of State Route 395 in his name. This dedication will serve as a fitting tribute to Captain Vidar Anderson's service, sacrifice, and heroism, and will ensure that he is remembered by all who travel this route.

According to the Author

"Captain Vidar Anderson was a hero in the Mono County community whose selfless actions saved the lives of local children. Acting without hesitation in a moment of danger, he placed the safety of others above his own and demonstrated extraordinary courage and commitment to public service. This memorial highway is dedicated in his honor to ensure his bravery, sacrifice, and lasting impact on Mono County are permanently recognized and remembered by all who travel through the region."

Arguments in Support

Writing in support of the resolution, Melissa Niehoff, daughter of Bill Niehoff, a former volunteer firefighter with the Long Valley Fire Department, states, "I am writing this letter as a testament to the lasting legacies that become an enduring part of someone's story."

"Although I never had the honor of meeting Captain Anderson, I came to know him through my father's stories - the ones told to me as a little girl, the stories shared while visiting the department, reading old articles, and standing quietly at the Convict Lake memorial site. In many ways, I feel like I grew up knowing the kind of man Captain Anderson was.

"The most moving account I have ever heard came from Chief Ray Turner, whom I was blessed to meet last year while visiting Long Valley. Chief Turner saw the tragedy unfold before his very eyes. Hearing him speak about that day is something you never forget. Some might say he lost a colleague. But when you hear his voice tremble and see his eyes fill with tears, you understand he didn't just lose a colleague or even an exceptionally good friend. He lost a brother.

"As we approach the 36th year since Captain Anderson's passing and the tragic events of Presidents' Day at Convict Lake, there has never been a more meaningful time to honor Captain Anderson's life and sacrifice."

Arguments in Opposition

FISCAL COMMENTS

Unknown, but the measure requests that Caltrans determine the cost of appropriate signage consistent with requirements for the state highway system and only erect the appropriate signage upon receiving donations from non-state sources covering the cost.
