DIGEST: This resolution recognizes and proclaims September 21, 2025, as the International Day of Peace

ANALYSIS: This resolution makes the following legislative findings:

- 1) Established in 1981 by a unanimous UN resolution, the International Day of Peace is a United Nations-sanctioned holiday dedicated to promoting global peace and nonviolence.
- 2) The International Day of Peace serves as a shared moment for humanity to reflect on the ideals of peace and work toward a culture of harmony across nations, communities, and individuals.
- 3) The observance of the International Day of Peace is marked by significant events, including the ringing of the Peace Bell in the United Nations headquarters, which serves as a solemn reminder of the human cost of war and a call to action for collective efforts toward peace.
- 4) By designating a day for cease-fire and humanitarian efforts, the International Day of Peace creates opportunities to address immediate crises while fostering long-term solutions and provides a global platform for dialogue and education on conflict resolution, cooperation, and the cessation of violence.

This resolution hereby recognizes and proclaims September 21, 2025, as the International Day of Peace
