SUBJECT: Sepsis Awareness Month

SOURCE: Author

DIGEST: This resolution proclaims September 2026 as Sepsis Awareness Month in California.

ANALYSIS: This resolution makes the following legislative findings:

- 1) September has been nationally recognized as Sepsis Awareness Month by Sepsis Alliance to bring awareness to sepsis, the body's life-threatening response to infection, which can lead to tissue damage, organ failure, and death.
- 2) Despite the severe danger and widespread occurrence of this illness, a survey conducted by Sepsis Alliance found that less than 15% of United States adults can identify the symptoms of sepsis. The signs of sepsis can be remembered with the mnemonic "TIME," which stands for temperature, infection, mental decline, and extremely ill.
- 3) Awareness of the signs and symptoms of sepsis along with rapid diagnosis and treatment can save lives and improve outcomes for sepsis survivors.

This resolution proclaims September 2026 as Sepsis Awareness Month in California.
