**COMMENTS:**

- 1) *Purpose of the resolution.* According to the author, “Assemblymember Patty Berg was a pivotal figure in the State Assembly, representing AD-1 with passion and care in her legislation and committee and caucus leadership. Assemblymember Berg held a list of leadership roles in areas near and dear, including the Chair of the Legislative Women’s Caucus, Chair of the Assembly Committee on Aging and Long-Term Care, and Chair of the Select Committee on Fisheries and Aquaculture. The legislation authored by Berg, including her “death with dignity” legislation and efforts to spearhead a statewide aging plan paved the way for future aging legislation, greatly improving the lives of aging adults. She also had a distinguished career before her election to the Assembly in 2002. She was involved in numerous community endeavors. Berg helped to fund CHOICES, the first pro-choice political action committee in Humboldt County, as well as cofounded the Redwood Coast Music Festival and advocated for Planned Parenthood. The North Coast was in great hands with Assemblymember Berg, and she will be greatly missed.”

- 2) *Background.* Patricia “Patty” Berg was born in Seattle, Washington in 1942. She later graduated from California State University, Los Angeles, with a bachelor’s degree in sociology and social welfare. In 1970, she met her future husband, Patrick Murphy, who passed away in 1987.

Berg made significant contributions to the community throughout her lifetime. She worked for Humboldt County and the Humboldt Senior Resource Center. Additionally, she founded and served as the executive director for the Area Agency on Aging for Humboldt and Del Norte Counties, receiving national honors and recognition for her work. In that role, she testified before Congress and in Sacramento for policy changes to support older adults.

Berg also cofounded the Redwood Coast Music Festival, the largest event for tourism in Humboldt County at the time.

In 2002, Berg was elected to the California State Assembly, where she served with distinction for six years representing District One, serving the Counties of Del Norte, Humboldt, Lake, Mendocino, Sonoma, and Trinity. During her tenure in the Assembly, she served as Chair of the Assembly Committee on Aging and Long-Term Care, the Select Committee on Fisheries and Aquaculture, and the Legislative Women’s Caucus.

In 2006, Assembly Member Berg led efforts to require the state to develop the first Master Plan for Aging. She believed so strongly in a person’s right to die as they chose that she authored “Death with Dignity” legislation to allow aid in dying. While the legislation did not pass, it served as the foundation for future death with dignity legislation that passed in 2015.

Berg passed away in 2024, at 82 years of age. She is survived by her brother, sister, stepdaughter, stepson and step-granddaughters.

Writing in support of the resolution, Humboldt County adds, “Patty Berg served Humboldt County, her Assembly district and the State of California with honor and distinction.”

Further, “Twice honored as “Woman of the Year” by state representatives, Patty was a force advocating for women’s equality, later chairing the Legislative Women’s Caucus and working to encourage more women to run for public office. During her time in office, she received fourteen “Legislator of the Year” awards, a testament to her passionate work on behalf of her constituents.

“A memorial highway will be a lasting testament to Assemblywoman Berg’s service to our community and the entire State of California. Patty is deserving of this very high honor.”
