#### Public Safety

- 10) Reappropriates a total of \$419 million General Fund to address a current year deficiency at the California Department of Corrections and Rehabilitation (CDCR) that is the result of structural and operation

shortfalls. Specifically, it reappropriates \$318.5 million in unspent General Fund resources from 2022-23 and \$39.3 million from 2023-24 to 2024-25. These funds were unspent due to savings associated with vacant positions, population reductions, and prison deactivations. In addition, it reappropriates \$61.2 million General Fund within CDCR's 2024-25 budget from programs that have surpluses to programs with projected shortfalls. This will shift funds from programs that are expected to underspend their budget, including parole operations and mental health services, to the programs facing deficits.
