******* ANALYSIS ADDENDUM – SUSPENSE FILE *******

**The following information is revised to reflect amendments
adopted by the committee on May 14, 2026**

Fiscal Impact: Unknown number of actions by the AG or a person acting in the public interest for injunctive relief.

Unknown, likely significant cost to the AG to manage documents and records related to immigration enforcement on a retailer's premises.

Unknown, significant to major cost pressure to the courts to the extent there are additional civil filings for new violations created by this bill. Actual costs would depend on the number of operators in the state, violations and the amount of court time required for each action. Although courts are not funded based on workload, increased pressure on the Trial Court Trust Fund may create a demand for increased funding for courts. The proposed FY 2026-07 Governor's budget would provide \$70 million General Fund support (Trial Court Trust Fund, General Fund).

Author Amendments: Amend to exempt documentation submitted to the AG from Public Records Act requirements.

Committee Amendments: Amend to strike private right of action.
