SUBJECT: Driving under the influence and other driving offenses:
comprehensive reform

SOURCE: CA Safe Roads Coalition; Los Angeles County District Attorney; Mothers Against Drunk Driving; Orange County District Attorney

DIGEST: This bill creates mandatory sentences for hit and run causing injury or death when the defendant has a prior conviction within the previous 10 years for DUI, gross vehicular manslaughter while intoxicated, vehicular manslaughter while intoxicated, or gross vehicular manslaughter; and expands application of the *Watson* advisement to apply in cases DUI with no injury cases in which the defendant pleads not guilty or no contest to a different or lesser offense instead.

Assembly Amendments removed provisions of this bill that required imprisonment in the state prison or county jail for up to one year for hit and run causing damage to property within 10 years of a separate conviction for DUI, gross vehicular manslaughter while intoxicated, vehicular manslaughter while intoxicated, or gross vehicular manslaughter, and created a mandatory 3-year enhancement for each prior separate conviction that occurred within the previous 10 years for felony DUI, DUI with no injury and with three or more priors, DUI with injury and specified priors, gross vehicular manslaughter while intoxicated, or vehicular manslaughter while intoxicated, when a person is convicted of any one of those offenses.

ANALYSIS:

Existing law:

- 1) Makes it unlawful for any person who is under the influence of any alcoholic beverage or drug, or under the combined influence of any alcoholic beverage and drug, or who has 0.08 percent or more, by weight, of alcohol (BAC) in their blood, to drive a vehicle (hereafter, “DUI”). (Vehicle (Veh.) Code, § 23152, subds. (a), (b), (f), & (g).)
- 2) Establishes graduated penalties for a first DUI, DUI with one prior, DUI with two priors, and DUI with three or more priors, including jail time, fines, ignition interlock device (IID) installation, license suspension or revocation, and completion of a DUI program. (Veh. Code, §§ 13352, 13352.1, 23538, 23540, 23542, 23546, 23550, 23552, 23548, 23575.3.)
- 3) Requires a 10-year license revocation if a person has been convicted of three or more DUIs or DUIs causing bodily injury, the last of which was punishable as a DUI or DUI causing bodily injury with two priors, a DUI with three or more priors, or as an alternate-felony misdemeanor because of a prior specified felony. (Veh. Code, § 23597, subd. (a).)
- 4) Makes it unlawful for any person who is under the influence of any alcoholic beverage or drug, or the combined influence of the two, or who has a BAC of .08 or more, to drive a vehicle, and concurrently do any act forbidden by law or neglect any duty imposed by law in driving the vehicle, which proximately causes bodily injury to any person other than the driver (hereafter, “DUI causing bodily injury.”) (Veh. Code, § 23153 subds. (a), (f), & (g).)

- 5) Establishes graduated penalties for a first DUI causing bodily injury, DUI causing bodily injury with one prior, and DUI causing bodily injury with two or more priors, including jail or prison time, fines, IID installation, license suspension or revocation, and completion of a DUI program. (Veh. Code, §§ 13352, 23554, 23556, 23560, 23562, 23566, 23568, 23575.3.)
- 6) Provides that a person who proximately causes bodily injury or death to more than one victim in any one instance that results in a felony conviction of a DUI causing bodily injury, gross vehicular manslaughter while intoxicated, or vehicular manslaughter while intoxicated, shall receive a one-year sentence enhancement in state prison for each additional victim injured (maximum of three). (Veh. Code, § 23558.)
- 7) Punishes a person convicted of a DUI causing bodily injury, where the violation proximately causes great bodily injury to any person other than the driver, and the offense occurred within 10 years of two or more priors, as a felony by imprisonment for two, three, or four years in state prison, a \$1,015 to \$5,000 fine, and a five-year license revocation (Veh. Code, §§ 23566, subd. (b), 13352 subd. (a)(6).)
- 8) Makes any DUI or DUI causing bodily injury (hereafter, “any DUI”) an alternate felony-misdemeanor if that person has previously been convicted of certain impaired driving crimes:
 - a) Punishes a person convicted of any DUI within 10 years of specified felonies – a DUI with three or more priors, a DUI causing bodily injury, or gross vehicular manslaughter – as an alternate-felony misdemeanor, a \$390 to \$1,000 fine, a four- or five-year license revocation (including a three-year designation as a habitual traffic offender), and a three- or four-year IID mandate. (Veh. Code, §§ 13352, subd. (a)(6)-(7); 23550.5, subds. (a), (c) & (d); 23575.3, subd. (h)(1)-(2).)
 - b) Punishes a person convicted of any DUI, who has a prior conviction for felony vehicular manslaughter while intoxicated, as an alternate felony-misdemeanor, a fine of \$390 to \$1,000, a four- or five-year license revocation, and a three- or four-year IID mandate. (Veh. Code, §§ 13352 subd. (a)(6)-(7); 23550.5, subds. (b), (c) & (d); 23575.3, subd. (h)(1)-(2).)
- 9) Requires the court, if a person is convicted of a DUI or a DUI causing bodily injury, to consider a BAC of .15 percent or more, or a person’s refusal to take a breath or urine test, as a special factor that may justify enhancing the penalties in sentencing, in determining whether to grant probation, and, if

probation is granted, in determining additional or enhanced terms and conditions of probation. (Veh. Code, § 23578.)

- 10) Requires a court to advise a person convicted of a DUI or a DUI causing bodily injury, or who pleads to a reckless driving conviction in satisfaction of, or as a substitute for an original DUI charge, of the following: “You are hereby advised that being under the influence of alcohol or drugs, or both, impairs your ability to safely operate a motor vehicle. Therefore, it is extremely dangerous to human life to drive while under the influence of alcohol or drugs, or both. If you continue to drive while under the influence of alcohol or drugs, or both, and, as a result of that driving, someone is killed, you can be charged with murder.” (Veh. Code, § 23593, subd. (a).)
- 11) Requires the prosecutor, if the prosecution agrees to a plea of guilty or no contest to reckless driving in satisfaction of, or as a substitute for, an original charge of a DUI—also known as a wet reckless—to state for the record a factual basis for the satisfaction or substitution, including whether or not there had been consumption of an alcoholic beverage or ingestion or administration of a drug, or both, by the defendant in connection with the offense. Provides that a wet reckless is punishable by imprisonment in a county jail for 5 to 90 days, or by a fine of \$145-1,000, or both. (Veh. Code, §§ 23103, subd. (c), 23103.5, subd. (a).)
- 12) Provides that gross vehicular manslaughter while intoxicated is the unlawful killing of a human being without malice aforethought, in the driving of a vehicle, where the driving was driving under the influence, and the killing was either the proximate result of the commission of an unlawful act, not amounting to a felony, and with gross negligence, or the proximate result of the commission of a lawful act that might produce death, in an unlawful manner, and with gross negligence. Provides that gross vehicular manslaughter while intoxicated is punishable by imprisonment in the state prison for 4, 6, or 10 years. (Pen. Code, § 191.5, subds. (a), (c).)
- 13) Provides that when a defendant has one or more prior convictions for gross vehicular manslaughter while intoxicated, vehicular manslaughter while intoxicated, gross vehicular manslaughter, or DUI (with or without injury), the punishment for gross vehicular manslaughter while intoxicated is imprisonment in the state prison for a term of 15 years-to-life. (Pen. Code, § 191.5, subd. (d).)

- 14) Provides that vehicular manslaughter while intoxicated is the unlawful killing of a human being without malice aforethought, in the driving of a vehicle, where the driving was driving under the influence, and the killing was either the proximate result of the commission of an unlawful act, not amounting to a felony, but without gross negligence, or the proximate result of the commission of a lawful act that might produce death, in an unlawful manner, but without gross negligence. Provides that vehicular manslaughter while intoxicated is punishable by imprisonment in a county jail for not more than one year, or imprisonment in the county jail for 16 months, 2 years, or 4 years. (Pen. Code, § 191.5, subd. (b).)
- 15) Defines gross vehicular manslaughter as driving a vehicle in the commission of an unlawful act, not amounting to a felony, and with gross negligence; or driving a vehicle in the commission of a lawful act which might produce death, in an unlawful manner, and with gross negligence, except as provided. Provides that this type of vehicular manslaughter is punishable either by imprisonment in the county jail for not more than one year or by imprisonment in the state prison for two, four, or six years. (Pen. Code, §§ 192, subd. (c)(1), 193, subd. (c).)
- 16) Requires the driver of a vehicle involved in an accident resulting only in damage to property, including vehicles, to immediately stop at the nearest location that will not impede traffic or jeopardize the safety of others. Provides that failure to comply with these requirements is a misdemeanor punishable by imprisonment in the county jail not exceeding six months, or by a fine not exceeding \$1,000, or both. (Veh. Code, § 20002, subds. (a), (c).)
- 17) Requires the driver of a vehicle involved in an accident that results in injury to or the death of another person to immediately stop at the scene of the accident. Provides that a violation is punishable by imprisonment in the state prison, or in a county jail for not more than one year, or by a fine of \$1,000 to \$10,000, or both. (Veh. Code, § 20001, subds. (a), (b)(1).)
- 18) Provides that if the accident results in death or permanent, serious injury (i.e., the loss or permanent impairment of function of a bodily member or organ), a violation is punishable by imprisonment in the state prison for two, three, or four years, or in a county jail for between 90 days to one year, or by a fine of \$1,000 to \$10,000, or both. (Veh. Code, § 20001, subd. (b)(2).)
- 19) Provides that if a person flees the scene of an accident after committing a vehicular manslaughter, vehicular manslaughter while intoxicated, or gross

vehicular manslaughter while intoxicated, the punishment is an additional term of five years imprisonment in the state prison consecutive to the term imposed for the underlying conviction. (Veh. Code, § 20001, subd. (c).)

This bill:

- 1) Creates mandatory sentences for hit and run offenses causing injury or death when the defendant has a prior conviction for wet reckless, DUI, gross vehicular manslaughter while intoxicated, vehicular manslaughter while intoxicated, or gross vehicular manslaughter within the prior 10 years.
- 2) Expands the application of the *Watson* advisement to apply in cases where the defendant pleads not guilty or no contest to a different or lesser offense as a substitute for an alleged violation of DUI. Provides that this provision is known as Braun's Law.

Comments

This bill creates mandatory sentences when a hit and run offense resulting in injury or death occurs within 10 years of a separate conviction for wet reckless, DUI (with or without bodily injury), gross vehicular manslaughter while intoxicated, vehicular manslaughter while intoxicated, or gross vehicular manslaughter. This bill also expands the application of the *Watson* advisement to apply in DUI cases where the defendant pleads not guilty or no contest to a different or lesser offense instead.

FISCAL EFFECT: Appropriation: No Fiscal Com.: Yes Local: Yes

According to the Assembly Appropriations Committee:

Increased state incarceration costs (General Fund) of an unknown amount, likely minor to moderate, to the California Department of Corrections and Rehabilitation to the extent longer sentencing triads result in additional time served. This bill elevates the felony triad for an injury hit-and-run with a qualifying prior conviction from 16 months, two years, or three years to two, three, or four years, and elevates the triad for a death or permanent serious injury hit-and-run with a qualifying prior from two, three, or four years to three, four, or five years — roughly one additional year of state prison exposure per affected felony admission. The number of hit-and-run felony admissions involving a qualifying prior conviction within 10 years is likely small, and both offenses remain alternate felony-misdemeanors subject to

prosecutorial and judicial discretion; however, each additional person-year of incarceration costs approximately \$133,000 annually.

Minor cost pressures (Trial Court Trust Fund (TCTF), General Fund) to the courts to provide additional advisements at plea and to the extent increased felony exposure marginally increases contested proceedings. It generally costs approximately \$1,000 to operate a courtroom for one hour. Although courts are not funded on the basis of workload, increased pressure on the TCTF may create a demand for increased funding for courts from the General Fund. The state budget provides annual General Fund backfills to the TCTF to offset revenue reductions, totaling approximately \$117.3 million in 2025-26.
