**DIGEST:** This resolution proclaims March 15, 2026, through March 21, 2026, as National Surveyors Week.

**ANALYSIS:** This resolution makes the following legislative findings:

- 1) Surveying is the art and science of accurately determining the position of points and the distances between them, and is often used to establish land boundaries for ownership or governmental purposes.
- 2) Surveying has been an essential element in the development of the human environment since the beginning of recorded history and is required in the planning and execution of nearly every form of construction, with its most familiar modern uses in the fields of transportation, building and construction, communications, mapping, and the definition of legal boundaries for land ownership.
- 3) There are over 45,000 professional surveyors in the United States, and nearly 4,000 in the State of California.
- 4) Since the colonial days of the United States, surveyors have been leaders in the community, statesmen, influential citizens, and shapers of cultural standards. Former notable surveyors include George Washington, Thomas Jefferson, Abraham Lincoln, Meriwether Lewis and William Clark, Daniel Boone, and Henry David Thoreau, among many others.

This resolution recognizes the week of March 15, 2026, through March 21, 2026, as National Surveyors Week.
