DIGEST: This resolution declares the month of March 2026 to be March4Water Month in California.

ANALYSIS: This resolution makes the following legislative findings:

- 1) Communities across America face the dual challenge of aging water infrastructure and growing demand, requiring innovative solutions that balance affordability, public health protection, and economic development.
- 2) Water reuse systems, including graywater, blackwater, and rainwater catchment, can expand community water supply, protect drinking water sources, and reduce strain on wastewater treatment infrastructure.
- 3) California employs approximately 42,000 plumbers, pipefitters, and steamfitters, representing a vital segment of the state's skilled workforce essential for implementing water solutions that build community resilience.
- 4) March4Water Month serves as a platform for communities to raise awareness about water efficiency solutions, workforce development, and investments in infrastructure that support economic growth and community resilience.

This resolution declares the month of March 2026 to be March4Water Month in California.
