

THIRD READING

Bill No: SR 108
Author: Hurtado (D), et al.
Introduced: 4/30/26
Vote: Majority

SUBJECT: World Asthma Day

SOURCE: Author

DIGEST: This resolution recognizes May 5, 2026, as World Asthma Day.

ANALYSIS: This resolution makes the following legislative findings:

- 1) Asthma affects millions of Californians, with some communities across the state facing disproportionate rates due to poor air quality, environmental exposures, and limited health care access.
- 2) Communities throughout California face environmental burdens, including wildfire smoke, vehicle emissions, industrial pollution, and agricultural operations, that worsen asthma outcomes.
- 3) World Asthma Day, observed the first Tuesday in May, raises global awareness about asthma prevention, management, and research.

This resolution supports programs for asthma education, home-based interventions, and health care access in underserved communities statewide.

FISCAL EFFECT: Appropriation: No Fiscal Com.: No Local: No

SUPPORT: (Verified 5/11/26)

None received

OPPOSITION: (Verified 5/11/26)

None received
