Introduced: 2/2/26
Vote: Majority

SUBJECT: Women's History Month

SOURCE: Author

DIGEST: This resolution takes pleasure in joining the United States Congress and the California Commission on the Status of Women and Girls in honoring the contributions of women, and proclaims the month of March 2026 as Women's History Month.

ANALYSIS: This resolution makes the following legislative findings:

- 1) The observance of Women's History Week was initiated by the Sonoma County Commission on the Status of Women in 1978, an occasion that was then enacted by Congress in 1987 as National Women's History Month in perpetuity in acknowledgment that the significant contributions made by women to every field of American life were largely undocumented and unknown and deserve to be recognized.
- 2) Women of every culture, class, and ethnic background have been essential participants in the founding and building of our nation and the State of California and have made historic and substantial contributions to the growth and strength of our nation and state.
- 3) Women's History Month will be not only a call to acknowledge the outstanding American, and in particular, Californian, women whose names we know, but also a call to pay homage to the many women who have anonymously shaped our collective past.

This resolution takes pleasure in joining the United States Congress and the California Commission on the Status of Women and Girls in honoring the

contributions of women, and proclaims the month of March 2026 as Women's History Month.
