(a) Serve beer and alcoholic beverages; and

(b) Offer food items for sale and seating for its customers;

(v) Facilities and individual licensees located within the primary premises, irrespective of whether or not licensed under this subdivision (30)(), may apply for and obtain a catering license pursuant to subdivision (6) for purposes of selling alcoholic beverages at special events within the primary premises; provided, that such facility shall comply with all requirements to obtain such catering license, except the requirement to have a complete and adequate commercial kitchen facility pursuant to subdivision (6)(B). The licensed premises of a catered event held by such a licensed caterer may include the entire primary premises or a portion thereof designated with the commission;

(vi) This subdivision (30)() must not be construed to prohibit a person or entity located within the primary premises from obtaining another license under this title 57 that the person or entity is otherwise eligible to obtain pursuant to law;

(vii) Each individual licensee on the primary premises is independently liable for violations committed by such licensee, and a separate licensee must not be held liable for the actions of another licensee;

(viii) Notwithstanding chapter 5 of this title to the contrary, and subject to this subdivision (30)(), the premises of a facility licensed under this subdivision (30)() mean, for beer permitting purposes, any or all the premises that constitute the primary premises. The terms of this subdivision (30)() that apply to licensees for purposes of consuming alcoholic beverages on the premises also apply to beer permittees; and

(ix) A facility licensed under this subdivision (30)() may hold any of the licenses authorized under this subdivision (30)() and a beer permit or may grant a franchise to one (1) or more entities for any or all such licenses or beer permits. The licensee for the primary premises, or franchisor, or any of its franchisees licensed under this subdivision (30)(), or a separate licensee located within the primary premises, may store beer and alcoholic beverages in one (1) or more central storage locations within the primary premises; provided, that each separate licensee's inventory of beer and alcoholic beverages must be stored in a separately locked cage or other storage area. The facility may also contract with a third party for the management of the facility's food and beverage operations and service, or for a portion of the facility's food and beverage operations and service;

SECTION 19. Tennessee Code Annotated, Section 57-4-102(30), is amended by adding the following new subdivision:

(i) A shopping and residential development that:

(a) Upon completion of construction, which may occur in phases, contains at least two (2) residential towers and seven (7) retail structures containing more than seven hundred thousand square feet (700,000 sq. ft.);

(b) Is located in a county with a metropolitan form of government having a population of not less than five hundred thousand (500,000), according to the 2020 federal census or a subsequent federal census;

(c) Is named after a prominent property listed on the National Register of Historic Places that features a Greek Revival architectural-style mansion built in 1853;

(d) Is located on a parcel of land directly adjacent to the confluence of a creek named for the species of maple trees that grew along its banks and a creek composed of several tributaries that flows in a northly direction from the facility to a navigable body of water;

(e) Is located within one thousand five hundred feet (1,500') of the city hall of a suburban city incorporated in 1938 and named after the same prominent property as the facility;

(f) Is located within three thousand feet (3,000') of the campus of an all-female high school named after a female recognized as a saint before 500 A.D. due to her martyrdom; and

(g) Contains green space, public walkways, and connects to greenway trails that circle a twenty-seven-hole public golf course;

(ii) A commercially operated facility that meets all of the other requirements under § 57-4-102(33)(A) for a restaurant or under § 57-4-102(25) for a limited service restaurant, and is located within the area described in subdivision (30)() (i) may operate under a single license using one (1) or more assumed or trade names, may be open to the public or limited to members and guests, and may grant a franchise for the operation of a restaurant in the facility, and such franchisee is deemed to be a licensee under this subdivision (30)(); provided, that the license fees required pursuant to this subdivision (30)() must be paid for each separate franchisee that may be covered under a license issued pursuant to this subdivision (30)(). A franchisee may also seek a license as a caterer under § 57-4-102(6)(A) and pay the license fees associated with such license;

(iii) A facility may have exclusive or non-exclusive use of contiguous and non-contiguous seating, including table service, and may deliver alcoholic beverages and beer to any area within its licensed premises. A facility shall submit a diagram to the commission and municipal beer board that identifies the licensed premises. Barriers controlling the ingress and egress to the licensed premises are not required as long as the restaurant has adequate security, signage, or other measures to reasonably deter customers from leaving the licensed premises with alcoholic beverages or beer. The restaurant is responsible for alcoholic beverages and beer leaving its licensed premises; and

(iv) A facility applying for the renewal of its license under this subdivision (30)() shall pay the appropriate license fee due under § 57-4-301(b)(1)(W) when the gross revenue from the previous year derived from food sales is fifty percent (50%) or less than the gross revenue from the sale of alcoholic beverages;

SECTION 20. Tennessee Code Annotated, Section 57-4-102(33)(N), is amended by deleting the subdivision and substituting instead:

(i) "Restaurant" also means a commercially operated facility that is located within a special historic district, as defined in § 57-4-102(36)(B); and

(ii) A restaurant that meets all of the other requirements under § 57-4-102(33)(A) for a restaurant may operate under a single license using one (1) or more assumed or trade names, may be open to the public or limited to members and guests, and may grant a franchise for the operation of a restaurant in the facility, and such franchisee is deemed to be a licensee under this subdivision (33)(N). A franchisee may also seek a license as a caterer under § 57-4-102(6)(A);

SECTION 21. Tennessee Code Annotated, Section 57-4-102(30), is amended by adding the following new subdivision:

(i) A commercially operated facility that has a seating capacity for at least forty (40) patrons, that is kept, used, maintained, advertised, and held out to the public as a place where during regular hours of operation alcoholic beverages, beer, or wine are served to patrons and a menu of prepared food is made available to patrons, and is located:

(a) In a county with a metropolitan form of government having a population of not less than five hundred thousand (500,000), according to the 2020 federal census or a subsequent federal census;

(b) In an attached brick masonry structure built prior to the American Civil War, according to a plaque on the building, that contains four (4) distinct properties that are joined with solid masonry walls;

(c) In one (1) of the two (2) properties within the attached structure that are closest to a navigable body of water;

(d) Within four hundred feet (400') of an arena which opened in 1996, that hosts National Hockey League games, live music, and other events;

(e) Within three hundred feet (300') of a tabernacle built in 1892, that has hosted numerous country, bluegrass, and rock-n-roll artists, as well as the longest running radio broadcast in the history of the United States; and

(f) Within two thousand feet (2,000') of an abutment of a pedestrian bridge named for a journalist who once saved a man from jumping off the bridge into a river;

(ii) A facility licensed under this subdivision (30)() may grant one (1) or more franchises for the operation of the facility, and such franchisee is deemed to be a licensee under this subdivision (30)();

(iii) A facility licensed under this subdivision (30)() may be issued one (1) or more licenses for operation of the facility. If more than one (1) license is issued for the facility, the designation of premises for the licenses may overlap in compliance with the requirements of § 57-4-101(p); provided, that the following is deemed to comply with § 57-4-101(p):

(a) Original containers or brands of beer or alcoholic beverages served in original containers that are exclusively sold by a licensee operating in the facility;
or

(b) Stickers identifying the licensee, which are reasonably designed to stay affixed to a container; and

(iv) A facility licensed under this subdivision (30)() is not required to meet a gross revenue percentage requirement for food service as a prerequisite to the issuance of a license to serve liquor by the drink; provided, however, that a facility applying for the renewal of its license under this subdivision (30)() must pay the appropriate license fee

due under § 57-4-301(b)(1)(W) when the gross revenue from the previous year derived from food sales is fifty percent (50%) or less than the gross revenue from the sale of alcoholic beverages;

SECTION 22. Tennessee Code Annotated, Section 57-4-102(11), is amended by deleting the subdivision and substituting instead:

(11) "Commercial passenger boat company" means a company that operates one (1) or more passenger vessels for hire upon navigable waterways and is licensed by the United States Coast Guard to carry not less than fifty (50) passengers on a single vessel. A commercial passenger boat company licensed pursuant to this chapter shall not sell any type of alcoholic beverage or beer while such boat is docked within the boundaries of any local government that has not approved the sale of alcoholic beverages pursuant to § 57-4-103. A commercial passenger boat company licensed pursuant to this chapter may store alcoholic beverages and beer at any location within a county in which the vessel docks; provided, that the storage location is within the boundaries of a local government that has approved the sale of alcoholic beverages pursuant to § 57-4-103. A commercial passenger boat company may only operate out of a county that has a population:

(A) In excess of two hundred eighty-five thousand (285,000), according to the 1980 federal census or any subsequent federal census;

(B) Not less than eighty-three thousand three hundred (83,300) nor more than eighty-three thousand four hundred (83,400), according to the 1980 federal census or any subsequent federal census; or

(C) Not less than one hundred sixty thousand six hundred (160,600) nor more than one hundred sixty thousand seven hundred (160,700), according to the 2010 federal census or any subsequent federal census;

SECTION 23. Tennessee Code Annotated, Section 57-4-102(30), is amended by adding the following new subdivision:

(i) A commercially operated hotel that:

(a) Opened prior to 2022 and contains more than three hundred (300) rooms;

(b) Regularly serves one (1) or more meals in a dining room for guests with seating for not less than fifty (50) persons;

(c) Has an exterior L-shaped swimming pool and over ten thousand square feet (10,000 sq. ft.) of outdoor deck area primarily located on the second floor; and

(d) Is located between two (2) numbered municipal streets that intersect less than three hundred fifty feet (350') southeast of the facility, within one hundred feet (100') of a historic bluegrass music venue that commenced operations prior to 1980, within five hundred feet (500') of a commercial railyard, within six hundred fifty feet (650') of a federal interstate highway, and in a county having a metropolitan form of government with a population of not less than five hundred thousand (500,000), according to the 2020 or a subsequent federal census;

(ii) A facility licensed under this subdivision (30)() may grant a franchise to one (1) or more entities for the provision of food or beverages, including alcoholic beverages, on its premises, and the holder of such franchise is deemed to be a licensee under this subdivision (30)(). The licensed premises do not need to be contiguous;

(iii) The facility owner, licensee, franchisee, or any other entity, may jointly manage and operate the facility, share revenue, services, equipment, employees and agents, supplies, food, and non-alcoholic inventory with the facility owner, licensee, franchisee, or any other entity, directly or indirectly through the owner. Licensees may exchange alcoholic beverage and beer inventory; provided, that clear records of such exchanges are maintained and all taxes are reported and paid;

(iv) A licensee under this subdivision (30)() is strictly responsible for compliance with all alcohol and beer laws and is subject to citations, suspensions, or revocations for violations resulting from the sale and service of alcoholic beverages or beer by the licensee. Each licensee is liable for violations committed by the licensee and must not be held liable for the actions of another licensee in the facility. Each licensee shall provide sufficient information to the commission or local beer board to determine which licensee may be liable in the event of a potential violation;

(v) A licensee may engage in any activity related to the sale, dispensing, or giving away of alcoholic beverages and beer authorized under the authority granted to a hotel under §§ 57-4-101(h), 57-4-102, and 57-4-203(e)(2)(A);

(vi) A licensee may store beer and alcoholic beverages in a central storage location in the facility. Each licensed entity shall store its inventory of beer and alcoholic beverages in a separately locked cage or other storage area; and

(vii) A licensee is not required to comply with § 57-4-101(p), except at times and in areas where more than one (1) licensee is providing beer or alcoholic beverages at the same time and in the same area in the facility. Compliance with § 57-4-101(p) must include affixing stickers to the alcoholic beverage or beer container in lieu of serving the beverage or beer in a labeled cup or glassware; provided, that a sticker identifying the licensee is reasonably designed to stay affixed to a container;

SECTION 24. Tennessee Code Annotated, Section 57-4-102(30), is amended by adding the following new subdivision:

(i) A commercially operated facility that:

(a) Is a public place kept, used, maintained, advertised, and held out to the public as a place where meals are served and where meals are actually and regularly served, without sleeping accommodations, such place having adequate and sanitary kitchen and dining room equipment and a seating capacity for at
