by deleting all language after the enacting clause and substituting:

SECTION 1. Tennessee Code Annotated, Section 65-26-101, is amended by deleting "with the least possible delay" and substituting "with the least possible delay, and a city, county, or metropolitan government shall not require the repair of pavement or sidewalk in excess of two hundred percent (200%) of the surface area disturbed during the inspection, installation, or connection to such pipes or natural gas mains or conductors".

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
